

Emergency care until April 19, 2020 - also during the Easter holidays

Dear parents,

the corona pandemic continues. The state government has decided to extend the **emergency care in day-care centers and in schools for children in grades 1 - 6 to April 19, 2020 and also to offer them during the Easter holidays** to all those who work in critical areas of public services, health care and basic services are to keep their back free for their work.

The following rules apply:

1. For which children is emergency care offered?

The emergency care in schools **for grades 1 - 6 is only intended** for children of people who are required to maintain these structures and services as employees in areas of critical infrastructure.

These are e.g. employees

- in the field of health care (medicine, hospitals, medical practices, pharmacies, ...) and care,
- Nursing staff from day-care centres and schools as well as teaching staff,
- at the police, fire brigade and health authorities,
- from supermarkets and grocery stores,
- in food production and logistics,
- in telecommunications, water management and power supply.

Requirement:

- *both parents or single parents are in one of the above areas active and*
- *an other care is not possible..*

EXCEPTION

Employees in the field of medical and nursing care – following applies here:

- *both parents are employed and*
 - *one parent works in a health or care facility or in an outpatient care service.*

Please note:

Alle BerecAll beneficiaries must submit **a written confirmation from their employer.**
